New Proposal Chat Files

Tedious long email chains are a thing of the past with new chat features

-  12 new integrations 03/24
-  PDF document imports 03/04
-  Agentic editing 02/21

Getting started checklist

Create your first database

- ☒ Start new data repository
- ☒ Define column structure
- ☒ Sync data
- ☒ Share database
- ☐ Create a tab
- ☐ Edit a filter
